Rosa Alpina

Alta Badia, Italy

Owned by the glamorous Pizzinini family, Rosa Alpina is old-fashioned comfort meets on-the-ball management. Here is some of the best skiing in the world.

Forgotten your ski jacket? Don't panic, one will be brought to your room in five minutes flat (probably Prada). The village of San Cassiano is so incredibly smart that the well-drilled staff look like guests, which is saying something. Susi Agnelli holes up here over Christmas, George Clooney is a fan and Flavio Briatore can't stay away. Neither should you. **Website** rosalpina.it.

UK reservations Seasons in Style (tel: 01244 202000). **Rates** Double, from £155.
